The organization conducted presentations in person and via webinars to 1,300 people all over north America and in Paris and Guam, and exchanged ideas with other via memberships with the American Sustainable Business Council and Global Product Stewardship Council. We worked with people in MN, NY and II on carpet stewardship legislation and wrote articles published in magazines such as Western City Magazine and was quoted in articles on the subject area in CalMatters At the time of this writing, all our legislation is still alive and likely to become law. In addition, we continue to share EPR information via newsletters, website, social media and presentations and do frequent press interviews on the subject of producer responsibility for their product waste management. We continue all the legislative campaigns and program campaigns to expand nationally and continue to attempt to end the flush list direction from the FDA which undermines our medication bin program and clean water efforts
